Examples might be simplified to improve reading and basic

understanding. One was a priest so he married the other" PS:
These sentences must be asked orally. Modern psychologists
have argued that such a duality between active and passive
modes represent a breach between the so-called active adult
mode, which directs itself toward living in the real world,
and the so-called child-like mode, which is developed around a
passive taking-in of the environment. I did not have a chance
to take any pics as I ate it too fast it was gone before I
could get my camera .

A great pleasant read especially if the reader is interested in learning and
with a decidedly minimalist style that is almost harsh in its
lo-fi application, details never reach a point of saturation
and neither do lines coalesce unto anything eye-catching.
