Presidential: Secret Baby Romance

Advancing to the epitome of small forms, however, were specifically those varieties of short prose that have been cultivated in newspapers and journals since the late eighteenth century. It was published about two years afterwards, and being praised by Addison in the Spectator, with sufficient liberality, met with so much favour as enraged Dennis, "who," he says, "found himself attacked without any manner of provocation on his side, and attacked in his person, instead of his writings, by one who was wholly a stranger to him, at a time when all the world knew he was persecuted by fortune; and not only saw that this was attempted in a clandestine manner, with the utmost falsehood and calumny, but found that all this was done by a little affected hypocrite, who had nothing in his mouth at the same time but truth, candour, friendship, goodnature, humanity, and magnanimity.
